To whom it may concern,

I'm expressing my opinion to please accept the proposed Microsoft settlement.

I have never been hurt by Microsoft...quite the opposite of the lawsuit brought on by the government. My 401k retirement fund and mutual funds have really been hit hard because of this lawsuit. It's time to resolve this and move on! The economy will only get worse if the proposed settlement isn't accepted.

I never asked the government to bring this case against Microsoft or spend my hard earned tax dollars on what I think was a political issue.

Thank you,  
Reed Harms
